

April 7, 2010

Dear Industry Partner,

On June 25, 2010, the Nashville Chapter of the Propeller Club of the United States will be holding its 17th annual golf outing at Gaylord Springs Golf Links with a portion of the proceeds benefiting the *Jason Foundation*. The *Jason Foundation* is an organization founded to help educate parents, teachers, youth workers and especially youth on the silent epidemic of youth suicide.

Dinner will be served in the outdoor pavilion after the tournament catered by Carrabbas Italian Grill. Immediately following will be the benefit auction, raffle giveaway, and the awards banquet for the tournament.

The Nashville Propeller Club awards the players with various prizes and trophies. Any items such as jackets, golf balls, and desk supplies, etc. that your company, organization, or vendors could donate would be greatly appreciated. Your donation will be distributed to key people involved in the Inland Marine Industry. This will afford you the opportunity to advertise through an organization that is widely recognized and respected in the marine industry. Donations need to be delivered by 6/11/10. Please send all donated items to the following address:

Daniel Butler
Nabrico Marine Products
1250 Gateway Drive
Gallatin, TN 37066

If the items need to be picked up, please let me know. Your help will be sincerely appreciated and your company's name will be recognized at our awards ceremony.

We also have openings for Hole Sponsors and Bar Sponsors. Sign up by filling out the entry form and indicating the name you would like to have listed as the Donor.

Sincerely,

Daniel Butler, Golf Tournament Chairman 615-442-1300 daniel.butler@trin.net
